

DR. P.C. SHAH SUMMER WORK EXPERIENCE SCHOLARSHIP IN PATHOLOGY AND LABORATORY MEDICINE

- WHO CAN APPLY:** 1st and 2nd year medical students
- START/END DATES:** Monday, June 8, 2026 to Friday, July 31, 2026 (*flexibility with start/end dates*)
- DURATION:** 8 weeks (35 hours/week)
- COMPENSATION:** \$17.50/hr (plus 4% vacation pay)
- JOB DESCRIPTION:** This work experience will allow students to gain exposure to a large diagnostic pathology laboratory by participating in departmental activities (such as gross pathology, microscopy, and/or autopsy pathology), shadowing residents and consultant pathologists and attending educational rounds. In addition, the student will have the opportunity to participate in an interesting clinical or educational research project.

If interested, please send a brief letter stating the reasons for your interest in this scholarship, along with a current resume to the attention of:
