## SYMPOSIUM DESCRIPTION

This meeting will again bring together Canada's leading surgeons, therapists, physiatrists and neurologists with an interest and expertise in peripheral nerve problems.

The symposium will be informative, provocative and leading edge with an emphasis on discussion and interaction. Participants will learn about state of the art care of peripheral nerve conditions including investigations, surgery, rehabilitation and therapy.

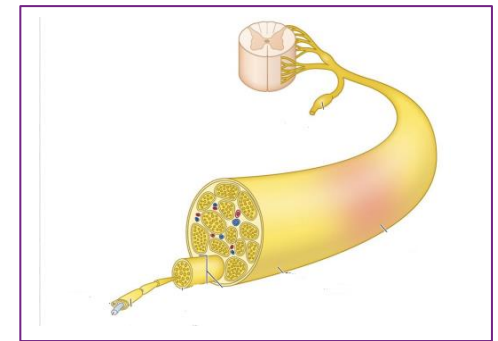

This year's theme: Targeted  
Muscle Reinnervation.

Speakers :

Dr Greg Dumanian Northwestern  
University, Chicago and Dr  
Jacqueline Hebert U of Alberta,  
Edmonton
