

## NOTICE TO ALL FACULTY AND STUDENTS

### Public Solicitation Promotion and/or Tenure or Continuing Status

John Di Guglielmo

The Faculty Collective Agreement requires that in evaluating a faculty member's performance for Promotion and/or Tenure or Continuing Status purposes, a public solicitation for letters must occur.

The purpose of the solicitation is to provide information about whether the candidate's performance of Academic Responsibilities (Teaching, Research/Scholarship Activity, and Service) meets the relevant criteria for promotion and/or tenure or continuing status.<sup>1</sup>

Associate Professor **John Di Guglielmo** is being considered for *Promotion to Full Professor*. Anyone wishing to make a written submission can do so until the File is closed. It is anticipated this will occur [approximately] by **June 30, 2024**. Those engaged in the review of the Promotion and/or Tenure or Continuing Status File may wish to refrain from providing a letter of support in order to avoid a perception of bias.

Unless you specifically indicate in your submission that your identity can be known to the candidate, your identity will be kept confidential from the candidate. The contents of your letter will be revealed to Associate Professor **John Di Guglielmo** by including in their Promotion and/or Tenure or Continuing Status File a copy of your letter with all identification removed. If you wish your identity to remain confidential, please phrase your letter such that your identity is not revealed by content. You should be aware that your letter in its entirety will be seen by the Promotion, Tenure and Continuing Status Committee reviewing this case.

We appreciate your considered judgment of the candidate's qualifications.

Please address your submission to:

**Dr. Cheryle Séguin**  
**Professor and Acting Chair**  
**Department of Physiology and Pharmacology**

and send by email to **Alycia Armstrong** at: [amorga7@uwo.ca](mailto:amorga7@uwo.ca)

*Please note: Your submission must be signed and sent as a pdf document.*
