The Physiology and Pharmacology Research Committee is presenting a Virtual Lunch and Learn Workshop

Thursday, January 19, 2023

12:00-1:00 p.m.

Zoom: <https://westernuniversity.zoom.us/j/98323596513?from=addon>

Meeting ID: 983 2359 6513

Our topic of discussion and presentation:

“Single Cell RNAseq and Spatial Transcriptomics”

Guest Speaker:

Dr. Tom Appleton,
Department of Medicine and Physiology and Pharmacology
Chief of Rheumatology, SJHC London

Host:

Dr. David Hess,
Department of Physiology and Pharmacology

Objectives:

By the end of this session, the participants will better understand:

- Select ideal research questions that are most amenable to single cell profiling.
- Describe the principles of preparing cells for single cell profiling.
- Evaluate the requirements to process, analyze, and interpret single cell sequencing data sets.
