

ABLATIVE & RECONSTRUCTIVE BREAST FELLOWSHIP
Division of General Surgery, London Health Sciences Centre
Division of Plastic Surgery, St. Joseph's Health Care

Fellowship Requirements

On-call commitments: Fellows will be required to take some call at the senior resident level

Stipend: Assistant fee for service through billings. All fellows are required to apply for any external funding for which they are eligible, including training grants and/or travelling fellowships from their home institutions/countries.

Duration: 1-2 years, depending on the goals of the applicant (July – June)

Application deadline: October 31 of the year prior to commencing the fellowship. Late or incomplete applications will not be considered. Successful applicant will be notified December 1 of the year prior to starting the fellowship.

Application requirements:

- Completion of surgical training at a recognized surgical training program (either general surgery or plastic surgery)
- Eligibility for an independent license to practice medicine in the province of Ontario
- Updated curriculum vitae
- Three letters of reference sent directly to the program director
- Ministry of Health billing number

Attending Surgeons:

Dr. M. Brackstone, Surgical Oncologist, London Regional Cancer Program, Victoria Campus
Dr. D. Ross, Plastic Surgeon, St. Joseph's Health Care

The deadline for applications is October 31 for the following July 1 start date.

Interested candidates should submit curriculum vitae, three letters of reference and a covering letter indicating career plans particularly any future committed positions, personal goals for the fellowship, and any funding from a sponsoring institution or country to:

Dr. Muriel Brackstone
Surgical Oncologist
London Regional Cancer Program
790 Commissioners Road E
London ON N6A 4L6
