The Application Process:

- Insight Development Grant applications are created in the [Research Portal](#). Application instructions are embedded in the application form.
- A Canadian Common CV (CCV) is required for both Applicants and Co-Applicants (*not* Collaborators).
- **Insight Development Grant (IDG) applications are not sent directly to SSHRC when you click "submit"**. They are routed first to RS for review and final submission to SSHRC.
- RS will not forward an application to SSHRC without a completed **ROLA proposal** first being submitted and approved. ***Please plan accordingly.***
- NOTE: One cannot, as the Applicant, apply for both a SSHRC Insight Development Grant and a SSHRC Insight Grant in the same calendar year, i.e. 2019, if the IDG application is successful.

What is New for the 2019 SSHRC Insight Development Grant competition?

- Review committee members will discuss applications that are ranked in the bottom 30% of the cohort so that applicants will receive feedback.

Research-Creation Applications:

- There is detailed information available to applicants preparing an [IDG research-creation application](#).

Co-Applicant and Collaborator Information:

- Co-Applicants and Collaborators are invited to participate via the **Invitations** option on the **Application Overview** page of the application in the Research Portal. Ensure international participants respond early.
- **Co-applicants:** Researchers whose primary affiliation is with an eligible Canadian postsecondary institution or with a non-Canadian postsecondary institution (with a clear justification/rationale) are eligible to participate as co-applicants.
- **Collaborators:** Any individual who will make a significant contribution to the project is eligible. They do not have to be affiliated with an eligible Canadian postsecondary institution.
