The Administrative Team is available to help answer any questions or concerns that you might have. The MPH Program Office will be open from 8:00-3:30 daily. In the event of a service disruption you will be notified as soon as possible. To help guide you to the appropriate person for a specific question, please see below:

- General Inquiries Alex Kartes Jeffery, Program Assistant
- MPH Program Inquiries Nellie Oliveira, MPH Program Coordinator
- Practicum/Career Inquiries Career and Engagement Officer TBD
- All of the above and anything in-between Courtney Hambides, Manager

This handbook summarizes policies and procedures concerning the Master of Public Health Program. Its purpose is to provide ready-to-use information, policies, and procedures for graduate students. Students are advised it is their responsibility to familiarize themselves of all policies, procedures, and deadlines.

Please consult the School of Graduate and Postdoctoral Studies (SGPS - <a href="http://grad.uwo.ca">http://grad.uwo.ca</a>) for further information; the majority of the regulations stated or referred to in this handbook are official University policies. The SGPS website represents the official and most current regulations and will take precedence over any information presented in this handbook.

## **General Information**

The MPH Program begins on September 2, 2025. Students are expected to be settled and ready to begin their exciting journey into the world of public health. Late arrivals will not be permitted to join the MPH Program as key information will have been missed that is essential to your success.

If a student applies for and receives Landed Immigrant Status (Permanent Residency) at any time during their graduate studies, they must inform the MPH Program Office and provide a copy of the documentation issued. This can dramatically impact your tuition and fee rates.

#### **Academic Records**

Students should be aware it is their responsibility to regularly check their academic record and report any discrepancies to the MPH Program Office. Every student has access to their academic record through Student Center: (<a href="https://student.uwo.ca/">https://student.uwo.ca/</a>).

## Office of the Registrar

You will be able to change your student information, check your marks, order transcripts and find other useful information here. Their up-to-date system includes the Student Services site. Members of the University community accept a commitment to maintain and uphold the purposes of the University, and in particular, its standards of scholarship. It follows, therefore, that acts of a nature that prejudice the academic standards of the University are offences subject to discipline. Any form of scholastic dishonesty, including plagiarism, that undermines the evaluation process, also undermines the integrity of the University's degrees. The University will take all appropriate measure to promote academic integrity and deal appropriately with scholastic offices.
