5th Annual Clinician Scientist Trainee Symposium Agenda
August 19, 2020
9:00 a.m. – 12:45 p.m.
https://westernuniversity.zoom.us/j/95835423451

9:00am Welcome Address – Dr. Jim Lewis, Clinical Research Training Director

9:15am Clinician Investigator Program Oral Presentation (10mins with 5mins question period)
Dr. Renee Pang (Supervisor: Dr. Michael Rieder)
“Determining Risk Factors for Glucocorticoid-Toxicity in Children with Rheumatic Disease”

9:30am Schulich Research Opportunities Program Oral Presentation (10mins with 5mins question period)
Colin Chan (Supervisor: Dr. Robert Hegele)
“Patient Impact of Genetic Testing for Familial Hypercholesterolemia”

9:45am MD/PhD Oral Presentation (10mins with 5mins question period)
Chris Balestrini (Supervisor: Dr. Kevin Shoemaker)
“Vascular stiffening and the brain: Direct measures of cerebrovascular stiffness in aging and vasodilation”

10:00am Break

10:10am Summer Research Training Program Oral Presentation (10mins with 5mins question period)
Jacob Houpt (Supervisor: Dr. Peter Stathopulos)
“Molecular Mechanism of Calcium Sensing by Stromal Interaction Molecule-1 in the Regulation of Store-Operated Calcium Entry: Determination of Functional Protein Sectors via Statistical Coupling Analysis”

10:25am Clinician Investigator Program Oral Presentation (10mins with 5mins question period)
Dr. Logan McGinn (Supervisor: Dr. Doug Ross)
“Value based health care”

10:40am Schulich-UWindsor Opportunities for Research Excellence Program Oral Presentation (10mins with 5mins question period)
Amanda Mary Stojcevski (Supervisor: Dr. Indryas Woldie) with assistance from Katie McLaughlin (SROP 2018)
“Psychosocial and financial burden of cancer diagnoses in multiple members of the same family in Windsor, Canada”

10:55am MD/PhD Oral Presentation (10mins with 5mins question period)
Cory Lefebvre (Supervisor: Dr. Alison Allan)
“Development of in vitro resistance models in tyrosine kinase inhibitors in triple negative breast cancer”

11:10am Break
11:25am  Keynote Speaker Introduction – Dr. Jim Lewis

11:30am  **Keynote Speaker**

**Nathalie Johnson, MD, PhD**
Associate Professor, Departments of Medicine and Oncology, McGill University
“Surviving the challenges faced by the clinician-scientist”

12:15pm  Questions for Dr. Johnson

12:30pm  Closing Remarks – Dr. Jim Lewis.
