

## **Congratulations to the 2018 recipients of the Faculty Support for Research in Education awards**

We are pleased to announce the results of the recent competition for Faculty Support for Research in Education (FSRE).

FSRE grants facilitate and enable scholarship in education at the Schulich School of Medicine & Dentistry that has the potential to improve the state of knowledge and inform educational practice in medicine, dentistry, or the basic sciences.

Three new awards have been approved. Congratulations to the following recipients:

*Exploring parent and staff perspectives of difficult conversations with trainees in the NICU*

PI: Anita Cheng, Department of Paediatrics

Co-Investigator: Sayra Cristancho

*Exploring the Relational Processes within Mentoring in Academic Medicine*

PI: Charles Ho, Department of Psychiatry

Supervisor: Lorelei Lingard

*A Multi-Sourced Qualitative Analysis of Feedback on Entrustable Professional Activities (EPAs) of Otolaryngology Residents*

PI: Josee Paradis, Department of Otolaryngology – Head and Neck Surgery

Co-Investigator: Agnieszka Dzioba
