## **“OPTIMIZING POSTOPERATIVE OPIOID MANAGEMENT”**

### **PRESENTERS**

**Collin Clarke, MD, FRCPC**

Associate Professor – Department of Anesthesia and Perioperative Medicine  
Schulich School of Medicine & Dentistry - Western University

**Ken Leslie, MD, FRCSC**

Associate Professor – Department of Surgery  
Gastro- Intestinal and General Surgery; Chair/Chief, Division of General Surgery  
Schulich School of Medicine & Dentistry - Western University

**Luke Hartford, DVM, MD**

Resident – Department of Surgery; Division of General Surgery  
Schulich School of Medicine & Dentistry - Western University

### **OBJECTIVES**

1. Understand the Ontario perspective of postoperative opioid prescribing in surgery;
2. Appreciate why postoperative opioid management change is crucial to managing the opioid crisis;
3. Integrate the evidence for anesthetic management in optimizing postoperative opioid management;
4. Understand what perioperative bundles have been successful in reducing perioperative risk of opioid exposure; and
5. Identify common misconceptions about postoperative opioid minimization strategies.
